# Elizabet Oliveira

Front-end Developer
Parede, Lisbon

mail@miukimiu.com      www.miukimiu.com      + 351 968 719 503

I am a front-end developer with good knowledge of user interface design.  Friendly and eager to work and learn with others. Each position I have held has transmuted my skillset and goals towards forward-thinking technology. I am obsessed with expanding my craft, solving challenging problems and staying on the bleeding edge.
I enjoy working in the industry and have a passion for creating and discovering new and effective digital experiences.
